<b>Synchronous Instruction:</b> In addition to teacher-led instruction, may also include the teacher facilitating small virtual groups in the context of the whole class to mimic student collaboration or allow individual work time as long as all students in the class are virtually engaged and the teacher continues to monitor progress in real-time.			<b>Asynchronous Instruction:</b> Activities, small groups, videotaped lessons, intervention, etc. assigned by teachers		

Monday, Tuesday, Thursday, Friday:

- 240 minutes of synchronous instruction
- 10 minutes of synchronous announcements
- 140 minutes of asynchronous instruction/activities
- Wednesday could include synchronous and asynchronous as directed by the teacher
